Banff Town Council Meeting passed the following motions in the Meeting on February 26, 2024:

- **Direct Administration to keep the Hawk Avenue site operational as a winter-only dog park.**

- Amend the 2024-2026 Operating budget by allocating **up to $110,000** from the Budget Stabilization Reserve, $80,000 of which will be reallocated from Hawk Avenue Dog Park rehabilitation project approved by way of motion COU23-251, that is no longer feasible, and direct Administration to proceed with:

  a) The Parks Canada environmental impact assessment process for the Marmot area site; and if approved
  b) An information session on the creation of a dog park at the Marmot area site.

  And further direct Administration to return to a future meeting of Council with a report addressing the findings of both, for final consideration of creation of a new dog park at the Marmot area site.
